What makes us unique?

To harvest the full potential of PDF, we implemented

The Next Generation PDF Reader

What if we could say:

*“Dear PDF document,
Please give me all IBANs!”*

Innovation: Document Query Language (DQL)

```
// Find all images wider than 10cm  
select i:Image  
where i.width > 10
```

```
// Find all IBANs with a specific font  
select t:Text  
where t.isIBAN & t.font.size = 12
```
